

Susan Harris, 802 Peninsula Avenue

Hello,

I'm **Susan Harris**, and alongside my faithful companion, **Dickens**, I have been a resident of Woodlake since 2015. Today, I'm excited to announce my candidacy for the Woodlake Homeowners Association Board.

My Vision for Woodlake:

1. **Community Engagement:** By creating forums for residents' input, I will strive to ensure that your views are not only heard but also valued and respected.
2. **Transparency:** I will focus on increasing transparency and improving communications.
3. **Open-Minded Leadership:** I will actively listen and recognize diverse perspectives.
4. **Informed Decision-Making:** Through thorough research and review of agenda items, I will make well-informed decisions.
5. **Environmental Stewardship:** I will be committed to caring for our lake, landscaping, and trees.
6. **Fiscal Responsibility:** I will strive for a balanced budget by reducing unnecessary expenses and improving oversight to boost our reserve funds and minimize dues increases.
7. **Allocation of Internal Resources:** I will work to leverage the skills of Woodlake employees instead of outsourcing to external contractors.
8. **Quality of Life:** My goal will be to preserve and enhance the sense of community and quality of life for all Woodlake residents.

About Me:

I grew up in San Mateo, and for the last 25 years, I've worked for Dr. Paul Schauer as a dental hygienist. Prior to this, I ventured into project management and finance through home renovations in the Sacramento area. My educational journey includes a degree in Home Economics with a Business minor from Sacramento State and a BS in Dental Hygiene from UCSF. I've volunteered for Easter Seals pool therapy in the community and supported the American Heart Association through Alpha Phi sorority events. In my leisure time, I enjoy pickleball, paddleboarding, Imi's Bigan Yoga, and leisurely walks with my loyal companion, Dickens, and my friends. I love our Woodlake community and want to make it even better.

With your support, Woodlake can become more than just a place to call home—it can be a vibrant, cherished community where life flourishes.

Thank you for considering my candidacy,

Susan Harris
